Subject: Resolution No. 2012-56, Setting Public Hearing for May 15, 2012, Gallagher Drive Roadway / Nine Mile Creek Regional Trail Improvement	

ACTION REQUESTED:

Approve attached Resolution No. 2012-56, calling for Public Hearing on May 15, 2012 for Gallagher Drive Roadway / Nine Mile Creek Regional Trail Improvement.

INFORMATION/BACKGROUND:

City staff is requesting a public hearing for improving Gallagher Drive from Parklawn Avenue to France Avenue. This project also includes adding a segment of the Nine Mile Creek Regional Trail.

This project was petitioned by the adjoining property owner and identified in the 2011-2015 Capital Improvement Plan as a 2011 project and was not completed. This segment of roadway was also identified as the route for the Nine Mile Creek Regional Trail. The current roadway is a dedicated Municipal State Aid (MSA) roadway with a width of 43-feet that is flanked on both sides with sidewalks and no parking. Staff is anticipating moving the easterly and southerly curb line, west and north, to create a 28-foot roadway, with a 7-foot boulevard and a 10-foot regional trail. A variance from MSA Standards will be required for the curve located just west of France Avenue. Agreements with Three Rivers Park District to fund the trail construction will also be presented at the Public Hearing. The remaining portion of the project will be funded through MSA funding and respective utility funds. Staff is presenting this project to the Edina Transportation Commission at the April 19 meeting. The feasibility report will be delivered to the City Council prior to the Public Hearing.
